

To Whom It May Concern:

I am writing this letter on behalf of Ms. Kim Baert-McGee. Ms. Baert-McGee was employed by CA as an early childhood educator in the Montessori Children's Center from September 2007 through June 2008. In this time, I had the pleasure of being her supervisor.

During the time I worked with Ms. Baert-McGee, I found her to be a dedicated professional, who always promoted the best interests of the children that were placed in her care. She has had the opportunity to work in our Primary Montessori environments with children ranging in age from 3 to 6 years old. She handled each child with intelligence and enthusiasm.

Aside from her typical classroom responsibilities, Ms. Baert-McGee co-ran our Kindergarten music program, for which she produced musical concerts and holiday caroling. She instructed the children in playing the Montessori bells and the handbells for their performances. She also held music classes for our toddler children ages 18 months to 3 years.

Without hesitation, I recommend Ms. Baert-McGee. The qualities she possesses would surely benefit any organization.

Sincerely,

A handwritten signature in cursive script that reads "Jennifer Fuggini".
