To Whom It May Concern:

Kim McGee has been in my employ for the last year and a half. In that time she has enriched our Montessori program with music. She has created a special time for the children to learn music history as well as learning to read notes and play instruments reading notes. She is up beat and friendly and brings much joy in the time she spends teaching music. Ms. McGee truly loves what she does and it shows. We are very grateful to have her in both our Montessori schools here in Islip.

Sincerely,

Lenore De Maria
Directress
