Director of Parks & Recreation

To Whom It May Concern:

Kim Baert-McGee has worked for the Town of Huntington, Department of Parks and Recreation since October 2003 as an Piano Instructor.

She has taught children, ages 5 to 12 years at beginning and intermediate levels. She is an asset to our program and would recommend her for any position in the music field.

Please feel free to contact me at 351-3097 for any additional information.

Sincerely,

Gina Petri
